

THE

PROVEN OEM ALTERNATIVE

WHY SPEND MORE?

NOW - There is NO reason not to switch!

Today is the day to stop overspending on OEM printer cartridges and start saving with **DALLAS LASER PRINTERS'** high quality imaging supplies manufactured by CIG.

Third-party tests by **Buyers Laboratory** (BLI) prove that **DALLAS LASER PRINTERS'** print cartridges manufactured by CIG rival the performance of OEM cartridges.

PAGE YIELD

QUALITY

RELIABILITY

INDEPENDENT TESTING SHOWED:

- 54 cartridges tested with average continuous yield numbers exceeding the OEM's stated yield across all cartridge types
- Image Quality that is highly comparable to the OEM
- ZERO out of box failures

When you get quality and reliability on par with the OEM at prices that are up to 30% lower, why would you not make the switch to high quality **DALLAS LASER PRINTERS** imaging supplies manufactured by CIG?

Contact us today for more information and to make the switch 800-851-5104!
